

CPC **Circular Pipeline Coils**

Available in diameters of 2" (50mm) to 56" (1420mm)

Circular coil electrodes for inspection of the outer diameters of pipelines, shipped complete with ball bearing ends.

Suitable for all High Voltage Porosity detectors, holiday detectors, spark testers and jeepers.

Applications

Verification of porosity or holidays on pipelines or circular surfaces.

Item	Description	
0179	2in / 50mm external diameter - Circular Pipeline Coil	
0180	3in / 75mm external diameter - Circular Pipeline Coil	
0181	4in / 100mm external diameter - Circular Pipeline Coil	
0182	6in / 150mm external diameter - Circular Pipeline Coil	
0183	8in / 200mm external diameter - Circular Pipeline Coil	
0184	10in / 250mm external diameter - Circular Pipeline Coil	
0185	12in / 300mm external diameter - Circular Pipeline Coil	
0186	14in / 350mm external diameter - Circular Pipeline Coil	
0187	16in / 400mm external diameter - Circular Pipeline Coil	
0188	18in / 450mm external diameter - Circular Pipeline Coil	
0189	20in / 500mm external diameter - Circular Pipeline Coil	
0190	22in / 550mm external diameter - Circular Pipeline Coil	
0191	24in / 600mm external diameter - Circular Pipeline Coil	
0192	26in / 660mm external diameter - Circular Pipeline Coil	
0193	28in / 710mm external diameter - Circular Pipeline Coil	
0194	30in / 760mm external diameter - Circular Pipeline Coil	

0195		32in / 810mm external diameter - Circular Pipeline Coil	
0196		34in / 860mm external diameter - Circular Pipeline Coil	
0197		36in / 910mm external diameter - Circular Pipeline Coil	
0198		38in / 960mm external diameter - Circular Pipeline Coil	
0199		40in / 1010mm external diameter - Circular Pipeline Coil	
0200		42in / 1060mm external diameter - Circular Pipeline Coil	
0201		44in / 1110mm external diameter - Circular Pipeline Coil	
0202		46in / 1160mm external diameter - Circular Pipeline Coil	
0203		48in / 1210mm external diameter - Circular Pipeline Coil	
0204		50in / 1270mm external diameter - Circular Pipeline Coil	
0205		52in / 1320mm external diameter - Circular Pipeline Coil	
0206		54in / 1370mm external diameter - Circular Pipeline Coil	
0209	ee	56in / 1420mm external diameter - Circular Pipeline Coil	
0651		Pipecoil (6m length)	
0643		Ball Bearing Ends (per pair)	
0286		REQUIRED IN ORDER TO USE COILS - Coil Joiner with 450mm Probe Extension
